

Grow-a-PEEP

Includes Container!

Grows
up to 3X
its Size!

Egg dissolves to reveal PEEPS® Chick or Bunny Inside!

How to use:

1. Remove black plug from top of container. Remove tape seal from air hole.
2. Pour water into larger hold in the container top.
3. Egg will start to bubble.
4. After 20 minutes, egg breaks open.
5. Pour out water after egg has dissolved, and refill with clean water.
6. PEEP will grow to full size after 48 hours.
